

# YOUR IDEAS

## ALTERNATIVE PROVISION

At Your Ideas, we replace exclusion, trauma and anxiety with **hope, growth** and **opportunity**.

### DEVELOPING YOUNG PEOPLE

#### HOPE

We create an environment where young people feel hope about their future, to work through past negative experiences and move forward with their lives.

#### GROWTH

Our 1:1 Key Worker service enables young people to build trusting relationships with key adults who are trained and are experts by experience.

We develop and grow young people's potential to make positive changes in their social and emotional behaviour.

#### OPPORTUNITY

We provide young people with a range of therapeutic and nurturing activities, including the arts, life skills, sports and fitness, cultural experiences, play, and education through **ASDAN** short courses, Maths and English software packages.

"I love it here... I can be myself!"

## BREAKING DOWN THE BARRIERS

# MAKING POSITIVE CHANGE

## Wellbeing is priority

Your Ideas provides a safe space with a consistent approach in a low-demand environment, with one-to-one Key Worker support matched to each person.

We work on rebuilding young people's mental well-being, repairing their trust in others, and supporting them in re-engaging with the world around them.

## Support that is right

Its important to recognise that it's not always the right time for your child to make a change. Our service understands this and is here to assist when the time is right for them.

## WHATS THE BIG IDEA?

Your Ideas support young people by providing a variety of nurturing activities and experiences.

In doing so, we enable them to achieve, boost their confidence, enhance their mental and physical well-being, and help them start building resilience and coping strategies for the challenges they face in their lives.

## OUR GOAL

Our goal is to provide a safe, welcoming, and supportive environment where young people are given the space and time to develop and flourish, preparing them for their next steps.

## OUR VISION

Our vision is to provide high-quality support that is person-centred, catering to the needs of all who join us, regardless of their pasts. We focus solely on young people's aspirations and well-being.

For each placement at Your Ideas, we tailor a bespoke programme of activities aimed at supporting young people to have regular, positive experiences based on their interests.

With us, young people will learn new life skills, acquire the ability to regulate their emotional and social behaviours, reduce isolation, and make positive choices and changes.

Your Ideas was established in 2008 and has a long history of supporting countless children and families.

We are a **Worcestershire County Council Accredited** Provider of Alternative Provision.

We have a proven track record of successful re-engagement of young people back into education or further support

Our Key Workers are experts by experience and trained in a techniques and approaches to work with young people who are otherwise lost to the system.

## BELONG THRIVE

**WE STRONGLY BELIEVE THAT EVERY CHILD MATTERS.**

We understand that many young people at our Alternative Provision have experienced failures, exclusions, lack of support, and trauma related to their education or life experiences.
